PROFILE

Motivated and detail-oriented professional with strong communication and problem-solving skills. Experienced in working in fast-paced environments and committed to delivering high-quality results. Quick learner with the ability to adapt to new challenges and technologies.

WORK EXPERIENCE

WRU **2025 - Present**

Web Development

Developed and launched responsive websites, enhancing user experience and engagement. Implemented SEO best practices, leading to a 20% increase in organic traffic. Collaborated with design teams to translate concepts into functional, visually appealing web solutions. Optimized website performance, reducing load times by 15% and improving conversion rates. Managed full development lifecycle, from ideation and wireframing to deployment and maintenance.

EDUCATION

Degree Of Science In Information Technology **2027**

Werabe University

3.65

Bachelor of Science in Information Technology, Werabe University. Studied core concepts in software development, networking, and database management. Developed problem-solving skills and a strong foundation in IT principles. Prepares me for roles in software engineering, system administration, and cybersecurity.
